Gideon Miles Oluku

Email: Milesoluku@gmail.com   **GitHub:** www.github.com/milesuno   **Portfolio:** www.gideonmilesoluku.com

Web developer with experience in agile development. I am passionate about bringing ideas into reality. For example, I have taken the initiative to develop a self-funded project (BarterAnything). I am interested in business automation and creating UX. One of my career goals is to combine my knowledge of business studies and web development.

EXPERIENCE
